

Position: Crew Groundsperson  
Full-Time: 40 Hours Per Week

**So, what sets Lewis Burns Tree Service apart from other employers? Extensive experience, a true love and commitment to the environment, superb customer service, a rapidly growing footprint, dynamic work ethic, a unique philosophy, and most important...the Lewis Burns Team!**

**If you are looking to be part of a team that is growing and changing the Tree Care Industry in a positive way while providing great career opportunities, we want to speak to you!**

**Summary:**

As a Groundsperson, you will be part of a crew that provides high-quality tree care to our clients. You will be involved in all aspects of pruning, tree removal, stump grinding, and other related tree care. You'll be expected to safely operate all equipment and perform the assigned job tasks, while also providing excellent service to our clients.

**Essential Responsibilities:**

- Loading and unloading trucks with logs, brush, and debris, often weighing 25+ lbs.; feeding brush into brush chipper
- Using hand lines / ropes to lower limbs and equipment
- Keeping work area clean and orderly
- Carrying, laying out, and stowing materials, tools, and equipment at work site
- Working from the ground using handsaws, poles saws, and other hand tools
- Driving trucks or operating other equipment, as assigned
- Servicing trucks and equipment; keeping trucks and other assigned equipment in a neat and orderly fashion; reporting needs and/or repairs of truck and equipment to crew leader
- Safeguarding employees and public from hazards in and around the work area; staying in frequent voice communication with workers aloft
- Helping to enforce job safety practices
- Performing related work, as assigned

**Must Demonstrate the Following Competencies:**

- Ability to work in a team environment where communication skills are essential
- Ability to perform strenuous work in all weather conditions
- Attention to detail
- The ability to demonstrate accuracy for high quality of care
- Knowledge and execution of proper pruning, per ISA standards
- Possess tree and plant identification skills

**Qualifications:**

- Valid driver's license
- Able to pass background check
- Knowledge of tying and specific uses for tree-industry knots is a plus!
- Safety for all types of equipment used (chipper, stump grinder, chain saw)
- Knowledge of chain saw blade sharpening / maintenance is a plus!
